Teenys Gala Sponsorship Opportunities

The Teenys Gala...Career Path to Success

Begun in 2008, this program is Islip Arts Council's High School student recognition program designed to reward performing arts students for their talents. We strive to encourage them to continue their education and pursue careers in performing arts and theater. The funds contributed through donations and sponsorships are applied to scholarship awards and the administration of this innovative student presentation.

Your generous support is deeply appreciated and will help make a difference in the lives and futures of our students. Thank you.
